Scheduling Policy

The scheduling policies listed below allow The Therapy Institute to provide prompt scheduling of patients and a wide variety of appointment options. So that we may continue to service our patients in this manner, please note the following scheduling policies are in effect.

- 1. Patients are expected to attend all scheduled appointments, at the time scheduled.
- 2. Any cancellation of a scheduled appointment must be made 24 hours prior to the start of the scheduled appointment.
- 3. Cancellations made without 24 hours' notice **may be** subject to a \$25 no-show fee payable by you, the patient *(not payable by insurance)*.
- 4. If a total of (3) missed appointments occur without cancellation, or if (3) cancellations with less than 24 hour prior notice are accumulated, The Therapy Institute reserves the right to place your case on hold or discharge you from care. This policy is in place to ensure timely care for all patients and appropriate use of clinical resources.

We understand that illness or unforeseen circumstances can sometimes prevent timely notice. If this occurs, we ask that you notify us as soon as possible. We will always take individual situations into account when reviewing your case.

Billing Information

We at The Therapy Institute strive to make the billing of your medical insurance as easy as possible. As a service to you the patient, we bill your insurance provider. We attempt to determine via your insurance provider whether physical therapy is a covered benefit under your active policy, in addition to what your financial responsibility is if any. This, however, is not a guarantee of payment on their behalf. We strongly recommend that you the patient verify your benefits independently.

To the best of our ability the information gathered is accurate. However, your medical insurance is a contract between you, the patient, and your insurance provider. The Therapy Institute is not a party to that contract, and you, the patient, are ultimately responsible for payment in full of any balance due.

Payment of all co-pays or co-insurance charges are expected on a weekly basis. Monies due are payable by cash, check, credit card, or valid HSA card.

*The Therapy Institute bills according to current Medicare guidelines. Any co-pays, co-insurance, or deductible due will be submitted to any active secondary insurance, where applicable, or billed to the patient if there is no secondary insurance.

Thank you
